Pricing

Register.com provides domain name registration services. The price for a domain name varies by domain extension. Registration fees are non-refundable. Please [click here](#) to learn more about pricing.

Domain Name Rules for Top Level Domain Names

Domain names have a variety of basic rules. For example, with a .com, .net, .org domain name:

- Use only letters, numbers, or dash ("-")
- Cannot begin or end with a dash
- Cannot have more than 22 characters
- Domain names are not case sensitive

Please [click here](#) to learn more about rules associated with specific domain names.

News

Since being selected by ICANN to be one of the five test-bed registrars, register.com was the first registrar world-wide to accept direct registrations of .com, .net and .org domains. Click for [more information.](#)

The 6 Steps to Success:

1. Check for domain name availability
2. Confirm intention to register
3. Log in
4. Fill in contact information
5. Review the information for accuracy
6. Enter payment information and submit your request
